THE CHINESE MAIL

華字報

(Wah Tsu Yat Pe)

THIS paper is now issued every day. The subscription is fixed at Five Dollars per annum delivered in Hongkong, or Eleven Dollars Forty Cents including postage to Coast ports.

It is the first Chinese Newspaper ever issued under purely native direction. The chief support of the paper is of course derived from the native community, amongst whom also are to be found the guarantors and securities necessary to place it on a business and legal footing.

The projectors, basing their estimates upon the most reliable information from the various Ports in China and Japan, from Australia, California, Singapore, Penang, Saigon, and other places frequented by the Chinese, — consider themselves justified in guaranteeing a large and ever-increasing circulation. The advantages offered to advertisers are therefore unusually great, and the foreign community generally will find it to their interest to avail themselves of them.

The field open to a paper of this description — conducted by native effort, but progressive and anti-slave-trade in tone — is almost limitless. It is on the one hand commands Chinese belief and interest, while on the other it deserves every aid that can be given to it by foreigners. Like English journals it contains Editorials, with Local, Shipping, and Commercial News and Advertisements.

Subscription orders for the above may be sent to

GEO. MURRAY BAIN,

AUSTRIA-HUNGARY.

The Austrian Cabinet has resigned. In the afternoon, Dr. Baron P. Gauthier, the Minister of Instruction, was charged to form a Cabinet.

Renewed demonstrations have taken place in front of the Reichsrath. The police and horses charged with drawn swords, and many persons were wounded. The demonstrations ceased when the resignation of the Cabinet was known.

WEATHER REPORT.

The following notice is issued from the Observatory:—

On the 30th at 11.25 a. The barometer has risen considerably in the extreme North; and slightly in the South-east. The anti-cyclone still covers China and pressure appears to be in defect over the S. E. part of the China Sea. Forecast.—fresh N. and N.E. winds; fine. Very strong moonsoon in the N. part of the China Sea.

THE GAMBLING SCANDAL.

Despatches have been received from the Secretary of State for the Colonies approving the dismissal of Mr. Osmond, Inspectors Witchell, Stanton, Quiney, Baker; Sergeant Holt and Sanitary Inspector T. Horne, from the public service.

It is rumoured that the Korean Government has prohibited the export of rice from Korea. Since considerable quantities of Korean rice are imported into this country to mix with Japanese rice, such a prohibition would have the effect of raising the price of rice in Japan.

A TOKIO telegram dated 19th Nov. states:—A further protest against the annexation of Hawaii by the United States is to be forwarded to Washington to-morrow by the Minister for Foreign Affairs. In this protest the Japanese Government declares itself to be absolutely opposed to such an annexation. Mr. Hoshi, the Japanese Minister to Washington, leaves for the City of Washington, leaves by steamer to-morrow.

In a note having reference to the approaching departure of Dr. Steubel, Consul-General for Germany and Doyen of the Consular Body, I'Echo de Chine asks who will be the new doyen. In the course of our contemporary's remarks, which seem to have been inspired, it calls in question the method usually pursued in the nomination of a doyen, and asks whether the Consular body have the right to overturn established rules based on an understanding between the Government. We should imagine that this question would be left in the hands of those most closely concerned, who undoubtedly will look at the matter in the proper light.—Shanghai Daily Press.

A MEETING of the representative Chinese residents in Singapore was held, yesterday afternoon (says the Straits Times of the 20th November), at Mr. Tan Jock Kim's office, to discuss the proposals of the Sub-Committee of the Committee of the Chamber of Commerce with reference to the currency of the Colony. The meeting was as informal one, and the subject was only discussed in a conversational way, but the drift of opinion was against the proposed change of the standard from silver to gold. The meeting, the attendance at which numbered eight, adjourned after an hour and a half's discussion, with a view to each member discussing the question with those of his immediate friends, commercially interested. A larger meeting will probably be held at a later date.

I hear H.M.S. Invincible has the best football team on the Station. If this is correct, I hope to see it perform on the Happy Valley soon.

The Company ties for the West York are shield produce some very good games at the Valley.

RECREATION NOTES.

In Hongkong, we are awaiting the arrival of the new Regiment before proceeding with the Football Shield tie. In Singapore they are endeavouring to get through the tie for the Warren Shield before the Riles leave for England, and on the 18th inst. the Singapore C.C. defeated I Co., R.E., by 2 goals to nil. The Royal Engineers, in the same competition, defeated A Co., R.E., by one goal to nil.

The course was from the starting line, round the Channel Rocks, Kowloon, No. 1 Dock buoy, and the west buoy off Meyer's oil works, round each mark twice, leaving to port, and back across the starting line 10 miles.

The following boats started at 2.30:—

Erica Mr. A. Denison allowed

Maid Marian 11 minutes

Active Mr. C. A. Tomes 14

Meteor Mr. J. Hastings 2

Dart Mr. H. E. Pollock 4

A few minutes before the starting time the wind was ripe north-easterly, which was just before the gun fire and several boats got lost. Active was unable to cross the line for 44 minutes. Chamfer lost 10 minutes, and Dame for 15 minutes after the others. Maid Marian and Meteor were recalled, but the former did not return far enough and was thus disqualified from the start. Erica went through the fleet and in ten minutes had a lead of about half a mile of everything but Maid Marian which was 200 yards behind her.

The boats had the wind on the port bow, and nearly all fetched the Channel Rocks in one tack. Erica was first round a minute in front of the others, and Dart and Ladybird were close attendance. A touch to Kowloon, Dart buoy and a run to Mayors buoy completed the first round, by which time Erica had increased her lead to four minutes of the Maid, which was a long way in front of anything else. The Active was doing very well, having made up her lost 44 minutes and nearly all fetched the Channel Rocks in one tack.
